Special Police Keep Watch Over Halloween Frolics

Malicious Mischief to Meet with Penalties, Warns Mayor Bartlett

At least eight additional policemen, in addition to Village Marshal William Thiemann, will be appointed to keep a watch and see that Halloween celebrations remain within the bounds of harmless fun, and not to extend to vicious vandalism, George B. Bartlett, village president, has announced.

"We have tried to overlook the antics of those boys and girls who engage in the ordinary Halloween stunts," says the mayor, but he warns that outright law violations will meet with arrests and fines this year.

Parents are also being cautioned that their protests will not be of avail in keeping their young hopefuls from paying the penalty for outright law violations.

Fun?—O. K. Destruction?—No!
"We are always glad to allow the youngsters a little leeway for innocent fun—but when it comes to the destruction or removal of property, that is a different matter," says the mayor.

"The state police have promised to co-operate, and, in fact, have already been on the job, and if necessary we will call on the county police."

"The kids can have all the fun they want, but it has to be just fun—not destruction."

Old Documents Tell of Antioch Back in 1840's

Only Two Houses South of Creek When Haynes, Shepard Arrived

Permitting a glimpse into the very earliest days of the village of Antioch are these documents discovered by C. K. Anderson among some old archives.

"I, Charles Haynes being duly sworn depose and says he settled in what is now called the Village of Antioch in the year 1842, at that time there was one frame and one log house south of Sequoit creek, for nearly half a mile. In the fall of 1842 a building used (or erected for a blacksmith shop) was fitted up for keeping school in through the winter. In the Spring of 1843 one Doctor Annis moved in where the School was kept the previous winter. After he lived there it was called Dr. Annis' lot for a number of years. In the year 1845 John B. Rice bought the lot (that was known as the Annis lot) of F. F. Munson containing one-half acre. John B. Rice sold the lot in a year or two, to J. Gage. I remember some of owners (of the so-called Dr. Annis' lot) to wit F. F. Munson, J. B. Rice, Nelson Sherman, Geo. Larabe and at the present by T. A. Emmions. The said lot is situated in Section 8, Town 46, Range 10, E. 3 P. M in the Village of Antioch, on the East Side of the Fox Road opposite of (where) Williams Bros. old store now stands. I know above facts by living adjoining said lot and within one mile of the same since 1842.

"I, Harvey S. Shepard, do depose and say that I settled in Lake co., Illinois, in what is now known as the Village of Antioch in the month of Feb. 1842. At that time there was one log house (D. B. Gage's) and one frame house now occupied (or was at my last knowing) by the family of Jas. Ingalls, the only two buildings (dwellings) within a half mile south of Sequoit Creek. During the summer of '42 my recollection now is (of which I am quite confident) Harrison P. Nelson erected a building where T. A. Emmions now lives, which was used for a school room the succeeding winter of which myself and bro. attended. I was twenty years old at that time. In the spring of '43 one Dr. Annis bought the property and fitted it up for a dwelling with whom I was personally well acquainted as he boarded in my father's family for six weeks while completing his house for occupancy. The property was known as the Annis property until it had changed hands (answers on page 5)

Fire Dept. Accepts Three New Members

The Antioch Fire department Tuesday night accepted three new members. They are Merrill (Missouri) Cunningham, Wallace (Stub) Murrie and Edward (Red) Frazier. The addition of the three new members brings the total membership up to 32, three short of the maximum of 35 active members as provided in the by-laws of the department.

Reports of delegates to the state convention were heard at the business session, and also a report on the county meet Monday at Round Lake. Chief Van Patten gave a detailed report of the defense School he and Richard Allner are attending each Sunday morning at Park Ridge. The school will continue for five more weeks. The firemen are being instructed in the handling of explosives and incendiary bombs such as are used during the raids on the British Isles. New developments in the use of these weapons as counter offensives in case of an invasion are also being taught the firemen.

Rosing Instructs Bus Drivers in First Aid Methods

Safety Course Now Mandatory for School Bus Drivers

With Lieut. Herman Rosing of the Antioch Rescue Squad as instructor, 12 Lake county school bus drivers received their first instruction in first aid methods Monday night at the Hawthorne school near Libertyville.

The law now requires that all drivers of school busses in Illinois shall have completed a twenty-hour course in first aid, and that such instruction is to be completed before Jan. 1, 1942, in order to continue to hold their jobs.

Many Lake county drivers completed their course last year, and now with the law becoming effective next January, all must have the instruction.

The Red Cross organization selected Lieut. Rosing as instructor for the busmen who had not received the course.

FORMER SHOOLMATE, VETERAN OF 500 BATTLES, WRITES TO McMILLEN FROM WUTUNGKIAO, SZECHUAN, CHINA

Legion Men Attend Annual Conference

Vice Commander Lester Heath and Mrs. Heath with Adjutant John Horan and Mrs. Horan attended the annual conference of Legion Commanders and Adjutants at Bloomington last Saturday and Sunday. The conference covered in detail all accomplishments following the state and national conventions.

Will Hold Exam. for Workers Needed at Great Lakes

The United States Civil Service Commission announces an open competitive examination for classified laborers, \$4.56, \$5.05 and \$5.52 a day at the U. S. Naval Hospital and U. S. Naval Training Station at Great Lakes, Illinois.

Applications may be obtained at any second-class post office, including Antioch, and the applications must be on file with the Recorder, Labor Board, U. S. Naval Training Station, Great Lakes, Illinois, on or before the close of business on November 6, 1941.

Applicants must have reached their 18th birthday but must not have passed their 48th birthday on the closing date for receipt of applications. The age limits are waived, however, in the cases of those persons granted military preference.

Nov. 15 Is Set for Store's Opening Date

Saturday, Nov. 15, has been set for the opening date of the Antioch Five and Ten Cent store in its new home in the Chase Webb store, according to Proprietor Herman Holbek.

Moving will probably start next week. New counters have been finished, the interior of the store has been painted in white, and new lighting fixtures are being installed.

Noted Lawyer, William Saltiel, To Address Club

Open Meeting of Woman's Club Will Be Held Monday at High School

William D. Saltiel, noted Chicago lawyer and lecturer, will address the Antioch Woman's club at an open meeting Monday, Nov. 3, in Antioch Township High school. His subject will be "Appreciating America."

Saltiel has addressed audiences in 42 states of the Union and in Canada.

He served in the World War and is active in the American Legion, being a member of North Shore Post No. 21. For many years he was chairman of the Speaker's committee of the American Legion Cook County council.

Saltiel was assistant corporation counsel of the city of Chicago, 1920-1923; city attorney of Chicago, 1927-1931; school board attorney in 1932.

He was President of the Chicago Junior Association of Commerce for two years, and for seven years was national chairman of the United States Junior Chamber of Commerce civic education and political activities. His civic, charitable and philanthropic activities are numerous.

Has Traveled Extensively

Although Mr. Saltiel is busily engaged in the practice of law, he still finds time to fill a limited number of lecture engagements each season. His addresses have brought him wide acclaim. His addresses are factual and he draws not only from his varied experience in civic, legal and business endeavor for his material, but from his extensive travels as well. He has met and interviewed prominent men and women in Sweden, Norway, Denmark, Finland, Russia, Austria, Hungary, France and England.

He is at present secretary, trustee, and general counsel of the Chicago Opera company. He is also a member of the board of governors of the Merchants' and Manufacturers' club. He is a member of the board of directors of the Volunteers of America, and a director of the National Committee for Music Appreciation.

Saltiel is the youngest man ever to have been listed in "Who's Who in America."

McMILLEN NAMED ON ALL-TIME BEARS FOOTBALL TEAM

James McMillen of Antioch holds the distinction of being one of the 11 players chosen by George Halas, owner-coach of the Chicago Bears team, as his all-time selections of stars who have played for him, exclusive of his 1941 team.

Halas' choice was announced by Edward Prell in the Chicago Tribune on Tuesday, Oct. 28, in the last of a series of articles on the Chicago Bears.

The All-Time Bears team includes—Left end, Bill Hewitt, Michigan; left tackle, Ed Healy, Dartmouth; left guard, Hank Anderson, Notre Dame; right guard, Jim McMillen, Illinois; right tackle, Link Lyman, Nebraska; right end, Bill Karr, West Virginia; quarterback, Paddy Driscoll, Northwestern; left half, Harold (Red) Grange, Illinois; right half, Joe Lintzenich, St. Louis university; full back, Bronko Nagurski, Minnesota.

In his article Prell said, "No need of apologies for the guards, either . . . McMillen of the Red Grange era at Illinois played several seasons with the Bears, became one of Jim Londo's most persistent pursuers for the heavyweight wrestling championship, and stays on his country estate near Antioch, Ill., between wrestling assignments."

Among the players who can give personal testimony of McMillen's football prowess is Clyde Zoia of Woodstock who was a visitor at the Antioch News office Wednesday morning.

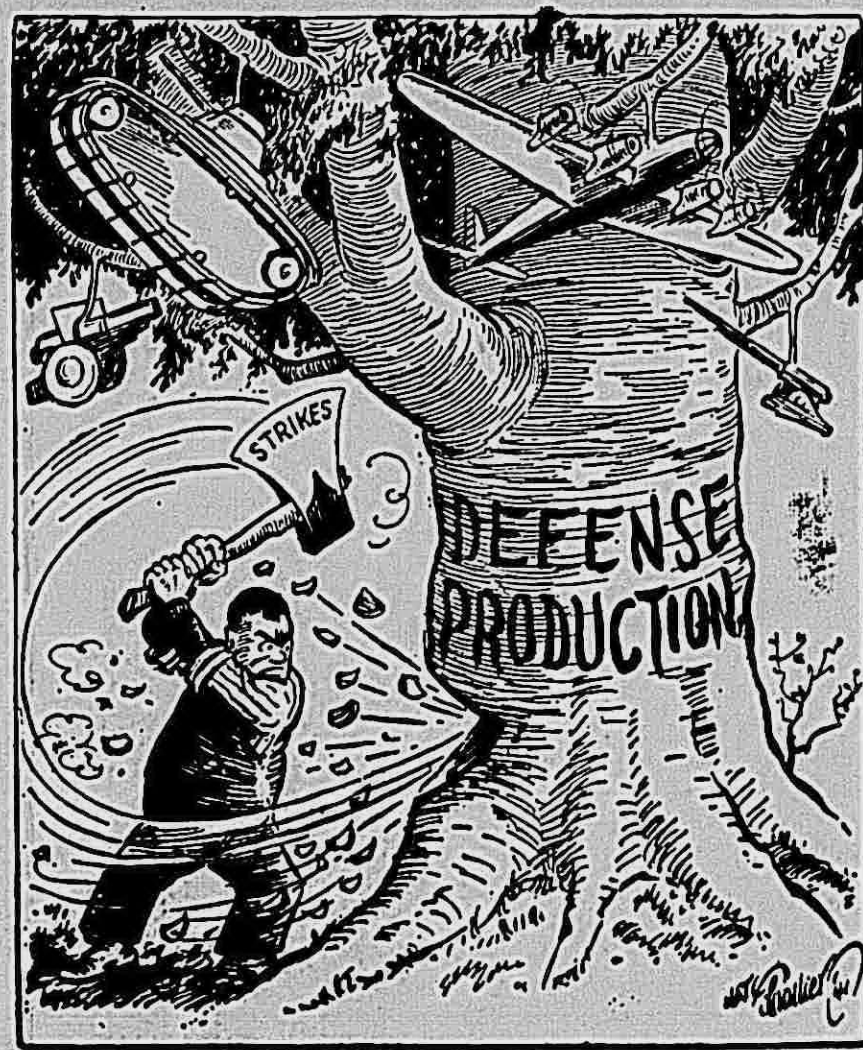

Zoia, who was also a University of Illinois man, played on the Bears' rival team, the Chicago Cardinals.

Barnard School Students Visit Antioch News Plant

Ten pupils from the Barnard school at Voltz lake, Kenosha county, visited the Antioch News plant Wednesday afternoon. They were accompanied by their teacher, Miss Betty Hengerveld, and Mrs. Louis Lasco.

Teachers Attend I. E. A. Meeting

President Clabaugh of N. Shore Division Presides at Two Sessions

All members of the faculty of the grade and high schools of Antioch attended the Lake Shore divisional meeting of the I. E. A. at Evanston Township High school at Evanston Monday.

W. R. Sulzbach presided over the morning session. Main address of the morning was by Dr. John K. Norton, member of the faculty of the Teachers College at Columbia university. Dr. Norton spoke on "Education and Economic Well-being."

R. E. Clabaugh, principal of Antioch Grade school, presided over the afternoon session. Professor T. V. Smith, former congressman and long time member of the faculty at Chicago university, gave the afternoon address on "Discipline in Our Democracy."

Because of the large membership of the Lake Shore division, the meetings were held in two divisions. The southern part met at the J. Sterling Morton Township High school at Cicero.

Mr. Clabaugh presided at the morning session at Cicero, as well as at the afternoon session at Evanston. Mr. Clabaugh is president of the Lake Shore Division.

Local Women Urged to Cut Vitamin Loss

Food Expert Offers "Rules of Thumb" for Vegetable Cooking

The Antioch housewife's eagerness to feed her family a sufficient quota of vitamins is causing an unprecedented run on vegetables and fruit centers this fall, but too often she defeats her good purpose by unwittingly robbing the food of its health-giving vitamin and mineral content.

This assertion was made today by Phil Libby, Chicago food consultant and radio chef, as he cautioned the nation's home-makers against the prime destroyer of food values—overcooking. He added that based on a daily per capita need of almost 8,000 vitamin units, the citizens of Antioch should have at least 9 million vitamins a day.

"Grocery retailers generally say women are more vitamin-conscious this year than ever before," Libby declared. "One large chain grocery organization, the A & P Tea Company, reports a 20 per cent increase in movement of these products during its recent ten-week campaign to help the federal government's 'nutrition-for-defense' drive. I wish we could be sure that the increased purchases were resulting in consumption of a fifth more vitamins."

Libby said that cooking vegetables too long over too hot a fire permits precious vitamins and minerals to escape. He offered the following five "rules of thumb" for housewives:

1. Use a vessel just big enough to hold the vegetables to be cooked.
2. Use as little water as possible, seldom if ever more than one cup.
3. When water comes to boil, reduce flame to simmer. Water should "smile and not laugh," because a rolling boil disturbs vegetables and releases minerals unnecessarily.

4. Don't throw away the little water which remains after cooking. It's rich in minerals and should be used for soup or sauce stocks.
5. Don't cook vegetables too long, because the longer they are subjected to heat, the greater the vitamin loss. It's a rare vegetable that needs more than 20 minutes; none requires more than 30 minutes. Shredded cabbage should be cooked no more than seven minutes.

Libby said that these rules should be observed especially in the cooking of green and yellow vegetables which contain the most vitamins. Fruit, he said, doesn't present the problems attending vegetable cookery.

Optometric Specialist Opens Offices in Antioch

Dr. Frank Keefe, optometric specialist of Chicago and Petite Lake, is opening offices in the Post office building here this week. He has had a cottage at Petite lake for a number of years.

He was senior professor at the Northern Illinois College of Optometry in Chicago for 10 years, but resigned that position last year. The college is the largest school of its kind in the world, devoted exclusively to eye study.

Dr. Keefe's Chicago office is located at 79th and Ashland boulevard. He has had many patients from here. He is making his home at Petite lake.

Halloween Fete Here Promises Fun for Everyone

Costume Parade, with Prizes, and Theatre Party Planned for Kiddies

Antioch's big Halloween festival, which annually provides fun for youngsters and oldsters, is the subject of enthusiastic plans being made this week.

Sixty prizes have been donated by the Antioch Lions club for winners in the Halloween parade for schoolchildren and pre-school children which is another big feature.

The parade will start from Antioch Grade school at 6:15 o'clock. The line of march will be along Main street to the Antioch theater on Lake street, where judging of costumes and the theater party will take place.

President Bob King of the Lions club announced that a committee composed of both men and women is being selected to do the judging.

Gifts for All

In addition to the 60 prizes, each child present will receive something.

The program arranged for the evening, through the courtesy of Fred B. Swanson, manager of the Antioch theatre, includes the feature show, "Here Comes the Navy," and appropriate short subjects.

The Halloween festivities are open to children of nearby rural schools as well as Antioch village residents.

Soft Ball League Makes Financial Report for Season

At the October 21st meeting of the Grant Civic club William G. Nagle, treasurer, reported on a statement received from Ted Adams, representing C. B. Smith, president of the club. He presented the following statement of disbursements and proceeds of the Soft Ball league for the season of 1941. The League was originally sponsored by the Fox Lake Lions club, now the Grant Civic club. The statement follows:

Receipts	
From Round Lake Team	\$ 22.50

TOTAL DISBURSEMENTS \$183.69

After including the payments for lighting the soft ball field the Grant Civic club showed a deficit of \$72.44 for soft ball operations.

The competing teams had a busy and worthwhile season which was greatly enjoyed by the community.

At the next Grant Civic club meeting, to be held Tuesday, Nov. 4, at Hillside Resort, Arthur W. Sullivan, chief factory inspector, will send a speaker from his department to explain the Accident Compensation law, the Occupational Disease Compensation law, and the present Industrial codes of the State of Illinois. The discussion will be supplemented by motion pictures on the subject. Members of the Grant Civic club and their guests will meet at 7:30 for dinner, preceding the program.

Women's First Aid Class Will Start Soon

Plans are continuing for the opening of a women's class in Red Cross first aid work. The classes will be started as quickly as possible after enrollment is completed. Those wishing to join may notify Herman Holbek, captain of the Antioch rescue squad; Herman Rosing, first lieutenant; or Walter I. Scott, second lieutenant.

Recent Chicago visitors included Mrs. Ida Shumeson, Mrs. Russ H. Hovorsen, Mrs. W. W. Wiedemann.

Oil and Aluminum

Most of us remember the Ickes gas and oil shortage campaign. For a time folks living on the Eastern seaboard were frightened almost to death. Those who depend on automobile transportation to and from their jobs in the cities have visions of walking to work through snowdrifts during the winter. People who depended on fuel oil to heat their homes had visions of shivering over brick fireplaces or huddling around old fashioned sheet iron stoves while the cold winds were howling.

Many who intended installing oil burners this year changed their minds, and the chances are they have changed them for some time to come, as oil burners for private homes will probably temporarily disappear from the market before long.

Citizens were advised to overhaul their cars to save gas and overhaul their oil furnaces to save fuel. Filling stations were ordered to close from seven until seven. The two first ideas doubtless resulted in some benefit to the owners if suggestions were followed. The third order led to unemployment and gasoline bootlegging. But at any rate the shortage is apparently over since it has been learned steel cannot be spared for a pipe line and Great Britain is ready to "lend back" to us some of the tankers we loaned her.

But have you forgotten the famous other "shortage drive"—the aluminum campaign? Women all over the nation were urged to give up their old aluminum pots and pans to save aluminum for defense work. The aluminum shortage now appears to be the same kind of shortage that faced the oil industry.

About 12,000,000 pounds of aluminum in old teakettles were donated by the patriotic housewives of America. But apparently it wasn't this action which cured the shortage. For, according to newspaper observers, veritable mountains or at least hillocks of pots and pans from American kitchens, now dot the landscape and as yet nothing has been done about it.

It is asserted in some quarters that at the very time American housewives were donating old aluminum, some army headquarters were asking for bids for aluminum.

Some writers have pointed out that instead of an aluminum shortage there were loads of aluminum being held in the junkyards of America for higher prices.

The truth of the situation has never come out. The aluminum campaign has been forgotten. Will it rest in peace?

Bogey-Man Ickes

We often have wondered what useful purpose, if any, Secretary of Interior Harold L. (Holler Loud) Ickes served. Of course, we know he is the Nation's Number One Common Scold and also its Number One Grabber-of-Headlines on any and all occasions. But, we mused, just what contribution does the Honorable Secretary make to the enrichment of life?

A friend, however, has enlightened us. He thinks Donald Duck Ickes serves a very useful purpose and that tens of thousands of American parents are or should be grateful to him. For this friend explains he uses the name of Ickes to discipline his children. The admonition "If you don't behave I shall tell Secretary Ickes," he says, brings immediate obedience from his off-spring.

Hysterical Harold was not elected to office—the New Deal placed him in power, and he sure-as-el wants to show authority by pushing us Americans around. He tried that in the gasoline shortage fiasco, which must have been humiliating even to Harold. But hold still—He has the blessing of FDR and may yet find a way to exercise his over-developed ego.

The sum we "owe ourselves" comes now to \$1,813 for each family in the land. But only a deep-dyed cynic will try to deduct this from taxable income as a bad debt.

Even Mr. Roosevelt got tired of the New Deal Thanksgiving. Two Thanksgivings a year and both financed with borrowed money, was too much for even the President.

Washington threw a dollar across the Rappahannock. Of course it would be bad taste to compare that feat with what Roosevelt heaved across the Atlantic.

A local farmer says the marketing quota is not so bad. All he has to do is to pay the Government 51 cents a bushel and the Government lets him own his own wheat.

We have gotten ourselves into the most absurd, ridiculous, humiliating condition of any legislative body in the world, turning over all of our rights to those who never were elected.—Senator Edison D. Smith, Democrat, S. C., Cong. Record.

SIN AND ITS CONSEQUENCES

LESSON TEXT—Galatians 6:7, 8; 1 John 1:8-10.
GOLDEN TEXT—If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness.—1 John 1:9.

Sin is an appalling reality, hideous and horrible in itself, and bearing with it the gravest consequences both in this life and in the life to come. Man does not find it pleasant to face that fact, and so he makes light of sin and even may go so far as to deny its existence. Obviously such an expedient does nothing to solve the difficulty or to meet the gnawing distress of a heart facing and fearing the judgment of God.

Far better to meet the reality of it, admit its awfulness, and seek God's way of full deliverance. Sin, which came into the world when man listened to Satan and disobeyed God in the Garden of Eden, has gone on to mar and to mark all mankind. We note that

I. Sin Brings Corruption (Gal. 6:7, 8).

Seedtime is followed by harvest. This is the law of nature, the law of God. The farmer who sowed wheat in the spring looked for wheat when the harvest time came. The same principle holds in the spiritual realm. Just as the one who sows to the Spirit reaps eternal life, the one who sows to the flesh reaps corruption, and death.

A life of self-indulgence (which is sowing to the flesh) brings moral decay. The weakened will yields to desire, and it "bringeth forth sin; and sin, when it is finished, bringeth forth death" (James 1:14, 15). This death is spiritual, bringing separation from God, a loss of fellowship and communion with Him. Spiritual death as well as physical death came upon mankind through Adam's sin.

II. Sin Loves Darkness (1 John 1:5-7).

There is not a bit of darkness in God. He is light. When Jesus came into the world, He came as the Light of the World. But "men loved darkness rather than light, because their deeds were evil. For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved" (John 3:17-21).

The corollary of that truth is that a man who says he has fellowship with God, but continues to walk in darkness, brands himself a liar (v. 6). Compare Revelation 21:27-28 for what God thinks of liars.

The light still shines, and the one who is walking in darkness has only to step over into the light (v. 7) where he will find fellowship with all God's people and know the cleansing of the blood of the Son of God.

III. Sin Is an Undeniable Fact (1 John 1:8-10).

It seems impossible that a man who knows himself and knows the life he lives would ever deny sin, for it is one of the most evident of all facts. Yet men have denied it, or sought to explain it away, calling it error, or a "fall upward," or a step in man's development, or the evidence of man's self-consciousness and desire to learn.

There is no hope for a man as long as he assumes such an attitude, for he not only lies himself, but he makes God a liar. He denies the truth of God's Word about sin, makes meaningless or wicked God's dealings with sin, and reveals that God's Word is not in him. Those who make such statements declare that they do not belong to God and do not accept His Word. It is evident that they ought never to be permitted to teach such things in the church, or in the name of Christianity.

IV. Sin Calls for a Saviour (1 John 2:1-6).

Christ the propitiation, the mercy-seat covering for our sins, is the only Saviour. He paid the price, and made it possible for God to be just and at the same time a justifier of the ungodly. The sinner needs such a Saviour.

Sin in the life of the believer also calls for a Saviour, one who will cleanse us (1:9) and who will in His own blessed name plead our cause "if we sin." He is our Advocate (2:1) pleading His righteousness in our behalf when we do fall.

This does not mean that we may then become indifferent or careless about sin. If we say we know Him and do not keep His commandments, we lie about our professed relationship to Him. The mark of a true child is a spirit of obedience.

God's children prove their love to Him by keeping His commandments. Talking about our devotion to Him, giving our service for Him, or sacrificing for His cause mean nothing if we do not obey Him. We only pile evidence upon evidence of our untruthfulness by making claims and doing things which are negated by our disobedience.

Miss Mildred Cermak and Navy Man Wed At Pretty Ceremony

At a nuptial solemn high mass in St. Peter's church Sunday morning at 11 o'clock, Miss Mildred Cermak, daughter of Charles Cermak, Sr., Loon Lake, became the bride of Robert Daniel Brennan, aviation machinist's mate at Great Lakes Naval Training station.

The Rev. James Cermak of St. Leonard's parish, Berwyn, cousin of the bride; the Rev. F. M. Flaherty, pastor of St. Peter's; and the Rev. F. F. Colman, of St. Bede's church, Ingleside, Ill., officiated at the service.

The bride wore white velvet-brocaded satin made with a train. Her long veil was caught at the head with a tiara of pearls, and she wore a necklace of gold set with pearls and diamonds that had belonged to her mother. She carried a huge sheaf of white chrysanthemums.

Her sister, Mrs. Joseph Kincl of Chicago, attended her as matron of honor. Bridesmaids were Miss Helen Saback of Chicago, a cousin, and Miss Vene Demman.

The matron of honor was in duobonnet velvet with matching accessories and carried gold and red chrysanthemums.

The bridegroom was in uniform, and was attended by Francis Dubler and M. McKnight, both chief petty officers at Great Lakes, who also wore dress uniforms.

Mass was sung by the choir, Charles Cermak, Jr., brother of the bride, sang the "Ave Maria" with violin and organ accompaniment.

The bride was presented in marriage by her father, Charles and George Cermak acted as ushers.

A wedding breakfast was served at the Ball Hotel in Antioch. A reception and dinner for 75 relatives and friends was held at the Cermak home.

For her "going-away" costume as the couple left on a week's honeymoon trip to northern Wisconsin, the bride wore a navy-blue pin stripe suit.

A number of officers from the navy were in attendance at the wedding.

HENSLEES HONORED AT RECEPTION, SUPPER

Thirty were present at a pot luck dinner and a reception honoring the Rev. and Mrs. W. C. Henslee Wednesday evening in the Antioch Methodist church.

Several musical selections were enjoyed. Roy Kufalk, chairman of the board of trustees, acted as toastmaster, and also extended the best wishes of the congregation for the pastor's fifth year of service in Antioch.

An official board meeting, a meeting of the trustees, and a report of the finance committee were other events of the evening.

Birthday Anniversary Is Chosen for Loftus, Mortensen Wedding

The birthday anniversary of the bridegroom's mother, Mrs. Chris Mortensen, was chosen by Miss Violet Loftus and Robert E. Mortensen for their wedding Wednesday evening.

For the quiet but pretty ceremony held at 7 o'clock in the rectory of St. Peter's church with the Rev. F. M. Flaherty officiating, the bride wore a fitted dress of brown crepe, trimmed with velvet in a darker brown, and a corsage of yellow tea roses.

Her matron of honor, Mrs. Herbert Goetz (the former Miss Eleanor Mortensen, sister of the bridegroom) wore the soldier blue frock she had also worn at her own wedding two and a half months ago. Her corsage was of white roses.

Mr. Goetz acted as best man.

Mrs. Mortensen wore a black gown with a corsage of pink roses, and Mrs. Eleanor Edgar, grandmother of the bride, was also gowned in black, with a corsage of red roses.

Following the ceremony, fifty friends and relatives were entertained at a reception and supper in the Mortensen home at 908 Main street.

The young couple is now on a honeymoon trip, the destination of which was not disclosed.

The bridegroom is associated in the management of the Mortensen restaurant on Main street. Both the bride and the bridegroom are graduates of the Antioch Township high school.

The Observer

Now that somebody or other has proved that lots of other foods have more iron in assimilable form than spinach has, we can go back to eating it for enjoyment.

We see where some newspaper editor in New York state made the headlines by running a general headline in his paper, "World in an Awful Mess." And yet, outdoors, the sun shines, the wind blows, the frost brightens the leaves, and all nature acts as if things weren't in such a mess at all. Maybe it's just mankind that is out of tune with the universe. We can't quite figure it out. Can you?

Mary Cosgrove at the Antioch Five and Ten Cent store says she is STILL custodian of that set of false teeth found on the Antioch sidewalks some time ago... looks as though somebody, somewhere, is going to have a tough time wrestling with their Thanksgiving dinner.

The usual artistic Halloween scrolls appeared on the usual windows up and down the Main stem this week.

Editor Antioch News Antioch, Ill.

Dear Editor—

This observer notes in the Wilmet items of Sept. 11th issue that

"Dick Carey accidentally scalded his left foot Saturday and is under the care of a physician."

Now Mr. Editor, if Dick or anyone else should scald his foot or break his arm intentionally you will let us know about it, will you not?

Thanks, I knew you would.

Another Observer.

—(Ed Note—You'd be surprised, brother.)

We see by the papers—

From the Frying Pan

The governor of the state one day appeared before the convicts at the state prison to make a speech. Forgetting his audience, he began in the usual manner: "Fellow Citizens"—a murmur of laughter ran about the hall. The governor became confused, and began: "Fellow Convicts"—the laughter increased. "Oh, you know what I mean," he stammered. "I mean I'm glad to see so many of you here." Uproar.—Kablegram.

Ickesology

Closing filling stations 12 hours daily to save gasoline in the East will give attendants some deserved leisure and they will have more time to drive around and use gasoline.—Parsons, Kan., Sun.

By their deeds—not their words—we shall know them.

Every once in a while some human attribute makes its appearance to enhance, or to cheapen a man's character. They impress one indelibly. Here's one that impressed us. It's about Jim McMillen, and reflects his character perfectly.

Picture Jim at the University of Illinois, a star athlete who was named All American half-back; energetically pursuing his studies so well that he finished his engineering course in two years less than the time prescribed—taking time off from his busy life to befriend a humble Chinese boy who was also a student at the university, and with whom a lasting friendship was formed. Not the "to be served" kind of friendship, but the "to serve" kind. The Chinese boy could not, and possibly never can do anything for Jim. Jim can do something for him.

Folks would wait a long time for Jim to tell them he is like that. He's too modest for that. He does want to serve, and he will do it the honest way—the only way he knows. No, folks, Jim McMillen will never resort to cheap political tricks to further his own interests or the interests of any one. He's just not that kind of citizen.

The warm weather previous to the recent cold spell produced a number of spring-like phenomena. An apple tree was reported to be in bloom over at Art Hawkins' place, there were rumors of violets and other spring blossoms being gathered at Lake Villa, and this morning Robert Schramm brought in an undaunted hollyhock flower that must have mistaken Indian summer for the real article.

Girl Scout Week

(By Dorothy Aronson)

Troop 1, Antioch, Ill. Each year, from October 26 to November 1, a week is set aside as National Girl Scout week. Girl Scout week has been observed since the founding of the Girl Scout movement by Lady Baden Powell, many years ago. Girl Scouts throughout the United States, Hawaii, and Puerto Rico participate during the observance of Girl Scout week.

The purpose of Girl Scout week is for scouts all over the world to think about one another, and to show their community the worthwhile value of a Girl Scout troop.

Girl Scouting teaches us to love nature and the out-of-doors. It teaches us leadership and cooperation. It teaches us to be more patriotic and reverent and to understand our flag more clearly. It makes us more grateful to our forefathers for all that they have done for us. Girl Scouting brings us in closer contact with other Girl Scouts in other towns, and countries as well. A girl scout represents the heart of a true American citizen.

The greatest aim of the Antioch troop this year is to make their troop a more enjoyable, as well as interesting, place. Our troop has increased greatly. Several girls have joined since summer. This great increase is due, chiefly to the reason that they are beginning to realize the value of Girl Scouting to the home, town, and nation.

The Antioch troop has been very prosperous this year. The annual cookie campaign was held in May, and as usual was very profitable. Last February an International Friendship Day was held with girls from Fox Lake and Grayslake as our guests.

Whenever we are called upon to perform some task, on Memorial day or on any other holiday, we are always ready to do it. The girls in our troop have the right attitude and without it we wouldn't get very far. This year, many girls are interested in Red Cross life saving and a system is being worked out which will enable us to take part in this work.

Our troop is sponsored by the Mother's club and we are very grateful for interest shown us in the welfare of our troop. We are also very thankful to the Antioch News for publishing our articles and if at any time we can be of any value to anyone we are always ready, and don't be afraid to call on us.

Letter From China....

(continued from page 1)

Wutungkiao, Szechuan. You cannot find the name of the village Wutungkiao but I am sure you can find the province Szechuan in your map, as the temporary capital "Chungking" is located in this province. In the future I might come back to U. S. A. for a visit as I want to serve China with some new knowledge in metallurgy. I have to study different steel plants in America. In that case I will write you and other American friends of mine again.

"I always remember your kindness to me when I was in U. S. A. last time. I intended to repay you but the war prohibited me from doing so. In fact I have been a very poor soldier, just a plain soldier. I will do my best to make my friends in America think that their friend Surgeon Hsieh has fought for the cause of democracy."

"Please remember me to all of our old friends. Write 'Via Air Mail from Hongkong to Szechuan' (use very thin paper) as the ordinary mail will take too long."

"Wishing you, your wife and folks a Merry Xmas and a happy New Year, Very sincerely yours, Surgeon."

a no. of times at least. Among the owners of the property I now recollect were H. P. Nelson, F. F. Munson, Jno. B. Rice, Dr. Jerry Gage, Nelson Sherman, G. O. Larabee and at present T. A. Emmons. The said lot is situated in Sec. 8, Tp. 46, R. 10, East of 3 P. M. in the Village of Antioch on the East side of the Fox River Road, opposite of the store built by I. M. Smith and occupied later by W. H. Ring and others. I know all the above facts by having lived in the immediate vicinity continuously until the Spring of 1871. In my visits since moving to Kansas I found all the boundaries of the Annis property now T. A. Emmons' remaining intact as it had been for 20 years previously.

Card of Thanks
We cannot express in words our appreciation for the acts of kindness shown to us during our recent bereavement. It was the thoughtfulness of friends, neighbors and school friends of Norbert's that helped so much to lighten our sorrow. We wish also to give our sincere thanks for indispensable help given to us by Mr. and Mrs. Lee Strang and Mr. Ed Strang. The Pacini, Thompson and Palaske Families.

Card of Thanks
I want to earnestly thank the Lake Villa Fire Department, the neighbors and all who helped to so effectively fight the fire which burned our barn last Saturday.

J. R. Williamson.

To Postpone Meeting
The Nov. 10 meeting of the Antioch Lions club will be postponed so as to avoid conflict with local Armistice Eve and Armistice Day observances, it was decided at a dinner meeting at Soper's Spa on Route 173.

Men Released from Army May Receive Benefits

Under the Illinois state unemployment compensation law a selective service man released from the army may get benefits of \$18 a week for twenty weeks if he is unable to find work. To receive this he must have earned during the calendar quarter in which he was called to the army and the four previous calendar quarters a total of \$225 in employment insured under the Illinois law.

Governor Dwight H. Green has asked State Director of Labor Francis B. Murphy to make the fullest possible use of the state employment offices in finding jobs for men released from the army.

Bonfire, Snake Dance, Pep Session and Dance Are Highlights

Students and alumni united in loyal effort to make Antioch High School's homecoming successful last Thursday and Friday.

The football game with Northbrook, pep parade, bonfire, and dance were among the festivities which were held under the direction of the student council, with Jim Jones as its head.

Events began with a student parade down Main street Thursday, headed by the high school band. Thursday night students gathered about a huge bonfire to pledge their loyalty with songs and yells and to witness the effigy burning of Northbrook. Principal J. O. Austin, Coaches Wolfenbarger and Weiss, and C. E. Edwards made short talks. The meeting was terminated by a snake dance through the city streets, which halted traffic while students gave vent to their enthusiasm.

A pep assembly Friday morning raised excitement to a high pitch when various members of the school gave talks, and the cheer leaders led the student body in high school yells.

A special homecoming edition of "The Sequoit News" was on sale in the halls at noon.

The football game with Northbrook called at 2:30 p. m. Friday ended in a scoreless tie, with the teams apparently evenly matched. The team is looking forward to the game with Grant Friday, which may determine its standing in the conference.

One hundred students and alumni thronged the school at the homecoming dance Friday night from 8:00 to 11:30. The swing band, under the direction of Hans Von Holwede, played from 8:00 until 9:00, and from 9:00 participants danced and lived to the music of their favorite dance bands on records recently purchased by the student council.

Pat Decker and Jim Jones had been chosen Queen and King of Homecoming by popular election in group meetings Wednesday morning. The coronation of the King and Queen occurred at 9:30. The King and Queen, with their court of honor, consisting of Sarah McBride, Earl Brixen, Elaine Nelson, Art Small, Carol Waters, Bud Mapletorpe, Peggy DeBaets, and Jim Roepenack presided over the program of events.

Bert Jordan was master of ceremonies at the dance. Among the entertainers were Sybil Johnson, Catherine Quigley, Bud Mapletorpe, Ted Mapletorpe, Dean Weber, Sarah McBride, Edward Ruschewski, Elaine Nelson, Therese Wimmer, Stuart Good, and an alumna, Betty Shank.

The following committees were in charge of homecoming arrangements: Publicity: Bud Mapletorpe, Sammie Klass, and Jim Roepenack; programs: Elaine Nelson, Jennie Neveler, and Gertrude Horton; decoration: Bill Efinger, Bill Petty, Bob Bennett, Lura Jean Minto, Ella Fay, and Alice Leng; tickets: Betty Buscher, Marilyn Tiede, and Laurel Sobey; refreshments: Sammie Klass, Elaine Nelson, and Ella Fay.

TRI-SCHOOL CONFERENCE IS HELD IN ANTIOCH

(By Rosalie Sibley)

One hundred and eighty girls attended the seventh annual Tri-School Girls' Conference of Antioch, Libertyville, and Warren High schools Saturday, October 25, at Antioch, with the theme "Home vs. Career."

The conference, which lasted from 9 a. m. to 3:30 p. m., opened with a business meeting with Carol Waters of Antioch, president of the 1941 conference, presiding. She introduced the officers: Audrey Duell of Warren, vice-president; Jennie Neveler of Antioch, secretary; and Dorothy Meyers of Libertyville, treasurer. The girls from each of the three schools then sang their school songs. The minutes of the last meeting were read by Jennie Neveler of Antioch, secretary. Audrey Duell of Warren, vice-president, read the history of the conference, and Dorothy Meyers of Libertyville gave the treasurer's report.

Miss Phyllis Whitney gave the address of the day. Her delightful personality and practical advice charmed her listeners as she talked on "Careers for Girls." Miss Whitney, the author of "A Place for Ann," a book for girls, gave her audience advice on choosing a vocation. "Just any job is not the right job," urged Miss Whitney. "Discover your good and bad qualities, and use them as a basis for choosing the line of work for which you are fitted." Miss Whitney closed her address by reading from her book, "A Place for Ann." After her address she answered questions which the girls asked and she talked with some of the girls who were interested in gathering more information.

Home-Coming Game With Northbrook Is Scoreless Tie

Sequoits Prepare for Hard Battle at Grant Friday

(By Rose Marie Zellhofer)

ANTIOCH LINEUP: Ed Jones, LT; Efinger, LG; Joe Nader, C; White, RG; Small, RT; Jim Jones, RE; Jordan, QB; Buchta, LH; Dalbke, RH; B. Mapletorpe, FB. NORTHBROOK LINEUP: J. Brown, Nelli; Muller, Sternberg; Christman, Bock; Farmer, Klein; Wahl, Brown.

The Antioch Sequoits' up-and-coming football team fought their hearts out against Northbrook, but had to be content with a scoreless draw before 350 enthusiastic homecomers Friday.

During the first half Jim Roepenack, co-captain of the Sequoits, received leg injuries and was taken out for the remainder of the game.

Sparked by gains, Earl Brixen, Sequoit ran 25 yards during the last half before being tackled by a Northbrook safety man. After a few hectic minutes, Klein, Northbrook's left half-back, broke away from the Sequoits and was forced out of bounds on their own 40 yard line.

With three minutes to go in the last half, a Northbrook man intercepted a pass from Buchta to Jones, but was skillfully nailed by a Sequoit player. Mr. Haas and Mr. Unewitz were the officials.

Because of the Sequoit's incessant fumbling, many opportunities for a touchdown were lost. Numerous penalties received by the Sequoits for off-side, clipping, and backfield in motion were other factors which contributed to the scoreless tie.

Enthusiastic students, faculty members, and members of the community lined the field, and fired on by the homecoming bonfire and snake dance of Thursday evening, rent the air with loud and lusty cheers.

Coach C. A. Wolfenbarger, when asked about the forthcoming game with Grant said, "We're looking forward to a hard-fought battle."

time for lunch; then half of the girls ate lunch while the remainder went into the discussion groups. There were six groups, each of which discussed one of the following topics: "Preparation for Home Life," "Advantages and Disadvantages of Home Life," "Careers for Future," "Careers for Living," "Is It Possible to Have Children and Career?" and "Possibilities of Both Home and Career." These discussions were very informal and were unattended by adults.

After the other girls were finished with luncheon and discussion groups, the chairman of the resolutions committee, read the resolutions of the 1941 conference.

A program presented by Antioch followed, entitled "Music and Dance, from Past to Present." Catherine Quigley, Sybil Johnson, Elaine Nelson, Louise Elms, Edward Ruschewski, Gene Hutchison, Alice Ward, Vivian Cosgrove, Lorraine Hutchison, and Gerda Pierce were the students who took part in the program. Carol Waters then officially closed the 1941 Tri-School Conference.

The conference was attended by 80 girls from Libertyville, 50 girls from Warren, and 50 girls from Antioch. Warren furnished the program covers, and the identification tags; Libertyville furnished the programs; and Antioch furnished the favors for the conference.

Miss Isabel Larimer, dean of girls, and Miss Helen Olson, social co-ordinator, were in general charge of the conference.
